

UNIFI has a commitment of supporting the health and wellness of our community. For this reason, UNIFI is partnering with our community grocer and wellness provider, The Fresh Food Factory and The Fresh Food Market. In our efforts to continue to provide superior food products, and culinary and food safety training, we make every effort to ensure that our operations run smoothly. To ensure efficient functionality in food preparation and distribution, we've created this list of the top 10 pieces that will help:

1. Refrigeration and/or Freezer
2. Commercial Grills /Stoves/Ovens/Broilers
3. Ice Machines
4. Pots/Pans/Small Ware
5. Griddles
6. Grease Traps
7. Chef Knives
8. Commercial Shelving
9. Dishwasher
10. Merchandisers
